

# Parent Empowerment Program

## Upcoming Information Session

Please join us virtually to connect with other families, learn about special education, and engage in topical discussion informed by parent input!

### Back to School Tips for Families of Students with Disabilities

Learn tips on how to make the transition back to school an enjoyable experience, explore ways to connect with your school community early in the school year, and develop a method to organize all your child's school documents year-round.

**August 11th, 2025**

**9:30 to 10:30 AM**
