UNDERSTANDING COMMON IEP/504 ACCOMMODATIONS & MODIFICATIONS

At this session, families of students with disabilities will learn the difference between accommodations and modifications, and will be introduced to common options found in IEPs and 504 plans, with clear explanations of the language used in this section of the plan. This workshop will serve as a practical “menu” of supports, helping families better understand, evaluate, and advocate for the services that best meet their child’s needs.
